

## Values

This is how our values are seen as progressive and what they look like in each year group.

Value	Nursery	Reception	Year 1	Year 2
Respect	The children take turns and share.	The children are able to listen to an adult in small groups without interruptions.	The children are able to listen as a whole class and respond to adults.	The children are able to listen and respond to adults and peers.
Collaboration	The children learn to share and take turns with equipment.	The children learn how to ask others to share and work with a partner.	The children learn to deal with conflict and are able to work in small groups.	The children are able to work effectively in groups and support one another.
Resilience	The children try again when something has not worked out.	The children will not give up when something is difficult and begin to help others.	The children are able to help others with struggles.	The children are willing to take risks and accept these may not work out.
Creativity (thinking)	The children will begin to use imaginative play.	The children use their imaginative play with others.	The children use their knowledge and skills to ask questions in areas of learning.	The children are able to articulate their ideas and questions and think creatively.
Nurture	The children are aware of the feelings of others and show kindness towards them.	The children are able to support others with their feelings.	The children are able to find solutions to situations and help others with theirs.	The children are able to show compassion and empathy towards others.
Aspiration	The children are able to say what they are good at now.	The children are able to say what they are good at now and what they want to get better at.	The children are able to say what they want to get better at in the near future.	The children are able to say what they aspire to be when they grow up and how they may achieve this.
