Headteacher Welcome

It has been wonderful to see the variety of learning taking place across all classes this week.

- Willow Class has been exploring birthday celebrations. The children made cakes and wrote lots of birthday cards for the penguins' birthday.
- Oak Class had a crash in the classroom! They've been working on the book *Whatever Next* and started by writing captions about an explosion in the classroom.
- Pine Class continues its exciting learning about space. They began the week exploring different items—an alien, the moon, and a rocket—making predictions about their text before discovering their book was *Man on the Moon* by Simon Bartram.
- Maple Class completed the final book in their trio of texts: *Flo of the Somme* by Hilary Robinson. The class has loved these stories, starting with *Where the Poppies Grow* and then *Peace Lily*.

Next week will be busy with the Christmas Play! We look forward to seeing you there

WHY SLEEP MATTERS FOR KIDS

SLEEP RECHARGES KIDS' BODIES AND BRAINS SO THEY CAN:

- Feel calm and refreshed.
- Make good choices.
- Have a healthy weight.
- Pay attention in school.
- Remember what they learned.
- Do better in sports.
- Avoid getting hurt.
- Feel good about themselves.

AFTER 1 OR 2 NIGHTS OF LESS SLEEP, YOUR CHILD MAY:

- Have more meltdowns.
- Make poor choices.
- Zone out in class.
- Forget what they learned.
- Have trouble with sports and games.
- Get into arguments.

KIDS WHO ARE SLEEP-DEPRIVED MAY:

- Feel sad, hopeless, or anxious.
- Become overweight.
- Make risky choices.
- Use cigarettes, alcohol, and drugs.

HOW MUCH IS ENOUGH?
9-12 hours for ages 6-12 8-10 hours for ages 13-18

Nut-Free School: Please remember that we are a nut-free school. Do not send any snacks or lunches containing nuts to ensure the safety of all our children. We have a child in school who has a nut allergy.

On behalf of our school community, we want to extend a heartfelt thank you to one of our parents for ordering such lovely items from our Amazon Wish List. Your generosity and support mean so much to us and will make a real difference for our students.

We truly appreciate your kindness and commitment to helping us create the best learning environment possible.
