Woodlands Infant Nursery School

Headteacher Welcome

A Great Start to the New School Year

It's been a lovely two days back after a wonderful summer break, and it's been fantastic to see how incredibly well all of the children have settled in. Their enthusiasm and positivity have filled the school with energy!

A very warm welcome to all of our new families — we're so pleased to have you join our Woodlands community.

We know this year the children are going to learn lots, experience new things, and make wonderful friendships. We're excited for all that lies ahead!

Nursery & Reception

Tapestry: If your child is in Nursery or Reception, please check that you are logged into Tapestry. This is where we share observations, photos, and learning updates. If you need login support, let your child's teacher know.

Using Class Dojo

Class Dojo is our main platform for sharing updates, celebrating achievements, and communicating with families. Make sure you're connected to your child's class to stay informed. If you need help setting it up, please speak to your class teacher or the school office.

Nut-Free School: Please remember that we are a nut-free school. Do not send any snacks or lunches containing nuts to ensure the safety of all our children. We have a child in school who has a nut allergy.

Farewell to Miss Wright

Miss Wright spent her last day with us yesterday. Due to a change in personal circumstances, she has left Woodlands to pursue new ventures. We are grateful for her contributions and wish her all the very best in the future.

Designed especially for the community, we would like to invite parents to Arise Church's first tabletop sale on Saturday 20th September 10.00am to 12.30pm. There will be a chance to give your wardrobe a refresh and explore a delightful mix of toys, crafts, gifts, quirky bric-a-brac, sweet treats, refreshments, and so much more! Brought to you by the community, for the community — and the best part?

It's absolutely FREE to attend! Don't miss out — come for the bargains, stay for the atmosphere!

DID YOU KNOW

Parents who just talk as they go about their daily activities expose their children to 1000-2000 words every hour.
