## Headteacher comment

### HEADTEAHER COMMENT

It has been so lovely to spend time in classes with the children this week and see how well they are settling in and adjusting to their new routines. Their confidence is growing day by day, and it's been a joy to see them engaging so positively with their learning and with one another.

Friday was a real highlight—seeing the children dressed so colourfully brought such energy and excitement to the school. It was wonderful to see how proud they were to show off their outfits, and I know Miss Cockett's daughter absolutely loved her visit. She was full of smiles and couldn't stop talking about how vibrant and welcoming everyone was.

Thank you to all families for your continued support in helping the children transition so smoothly into the new school year. We're looking forward to many more joyful moments ahead.

## Medical appointment

For medical appointments please could these be made out of school time where possible. We appreciate this is not always possible but ask that the screen shot of the appointment or the medical letter is shared at the office or via email.

## P.E Kits

PE kit needs to be brought to school on Tuesdays for PE.

Hair must be tied up for PE on a Tuesday.

If your child has earrings please ensure they have microtape so these can be covered for the lesson.

## Golden jumper

Each week a child from each class will receive the Golden Jumper! Your child will receive this if they have gone the extra mile that week,

for example:

Always listening

Sharing and playing well with others

Good attendance

Brilliant application of learning!

If your child receives the Golden Jumper, they can wear this instead of their navy jumper for the following week. It should then be returned to school on the Thursday morning so that it can be washed ready for the next child during Fridays assembly.

### NUT ALLERGY

We are a nut free school due to allergies within school. Please ensure that nuts or nut-based products are NOT included in your child's lunchbox. If your child is found to have these, we will have to remove from their lunchbox. Thank you for your understanding.
